Welcome to the Staples Advantage program designed for charter schools.

Together, Staples Advantage and the Massachusetts Charter Schools Association has developed an innovative program designed for your school, your administrators and your teachers. By participating in this program you reduce costs, cut paperwork, limit time spend purchasing items at retail stores and control spending on school supplies, janitorial cleaning products, classroom furniture and the office supplies, your school uses everyday. Staples Advantage Massachusetts Charter School program simplifies the way you do business and provides you with substantial savings.

The power of consolidation. The flexibility of customization.

Staples Advantage' Massachusetts Charter School Program gives you the buying power of a national school program while still allowing you the flexibility to customize a program and product selection that works for *your* school.

Savings the way you need it.

Your school will see *immediate* savings. Your school's customized core list of products includes more than 100 of your most frequently-purchased items with deeply discounted contract pricing. In addition, your school will receive immediate access to specific products that we have found fit the need of Charter Schools throughout our client base.
