About HR Knowledge

HR Knowledge has been dedicated to serving Charter Schools and their employees since 2002. Working with more than 50 Charter Schools and CMO's, HR Knowledge delivers a comprehensive service in the areas of HR, Benefits, Benefit Administration, Payroll and Retirement Plan Administration. By partnering with HR Knowledge in these areas, it allows the Charter School and the Leadership team to focus more time on the "Kids & the Curriculum" while ensuring the back office operations of the school is compliant and is offering the best employee benefits at the lowest costs possible. We can deliver our services in an integrated fashion or you can choose to work with us in a specific area of need. Please contact us to learn more!
